Product Datasheet

dynabook Boost X20 Portable SSD

The next generation of portable storage is here – the dynabook X20 Portable SSD. With read speeds* of up to 540MB/s, transfer your videos, photos and data with blazing speeds.

Clad in a stylish metal casing, the dynabook X20 Portable SSD is lightweight and small in size, making it easy to bring along wherever you go. A handy pouch is included, and it comes with both Type A and Type C cables for the ultimate flexibility. It features the latest USB3.2 Gen2 interface and its backwards compatible with USB3.0 and USB 2.0 devices.
