# • dynabook

# MAKING A DIFFERENCE FOR EVERY BUSINESS

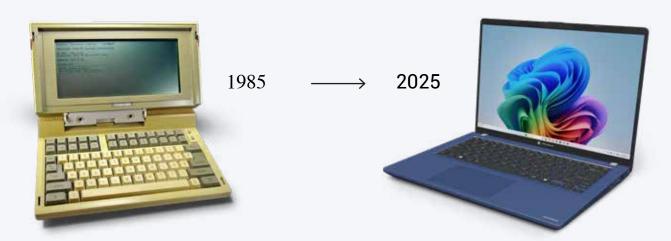

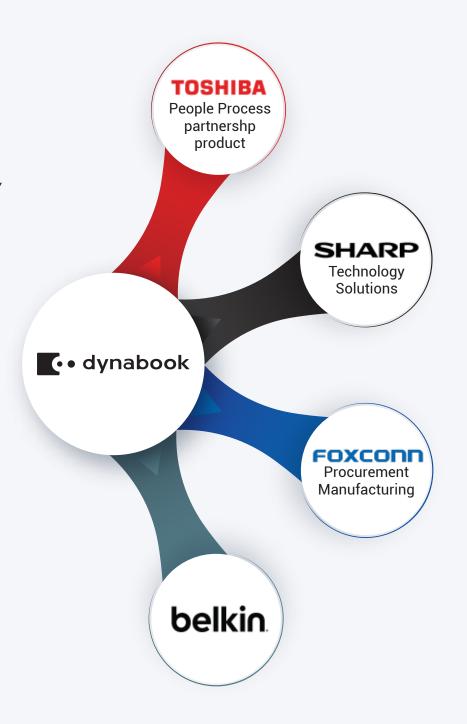

Intel® Core™ Ultra 7 processor

# WE ARE DYNABOOK WITH A LEGACY

Dynabook carry forward Toshiba's legacy of laptop innovation since 1985. Designed for today, it blends style, speed, and durability for unmatched productivity on the move.

# YOUR PRODUCTIVITY, OUR MISSION.

With Dynabook, you can enjoy greater work productivity with:

- World-class quality and reliability
- Service and support from industry experts
- Intelligent design with smart features
- The right technologies at the right time
- Advanced computing for business success

# WEARE ALLABOUT MAKING A DIFFERENCE

At Dynabook, we are proud to be different to make a difference. With a deep culture of innovation - think 140 years of experience in inventing new solutions, and over 40 years of laptop design, engineering and development, we offer unrivalled expertise and know-how.

Everything made in-house - When it comes to products for you, we prefer complete control. This is why we design, develop and engineer all our business laptops in our factory with high precision and craftsmanship, so you can enjoy lasting quality assurance.

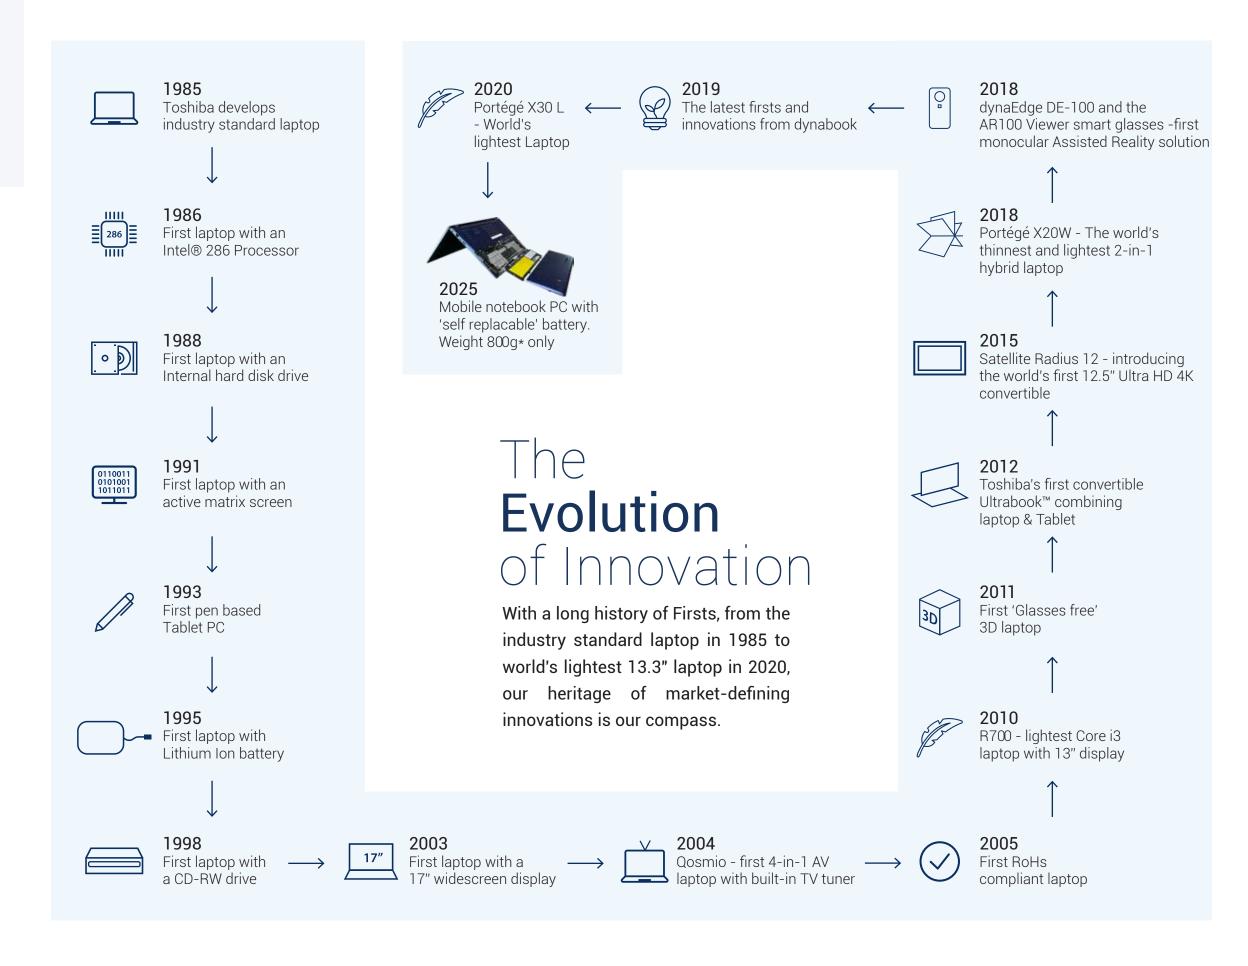

Comprehensive security controls - Data security is a valuable commodity in any business. From our own native system BIOS and secure multi-point login to bespoke Smart Data Encryption and Mobile Zero Client solutions, we work hard to prevent your data from falling into the wrong hands.

Durability is always top of mind - To withstand everyday bumps and spills, our products are subjected to rigorous testing such as the Highly Accelerated Life Test (HALT), performed by independent test institute TÜV Rheinland. Only those that pass our strict tests will find their way to your home or office.

Manageability at your fingertips - With common software image power accessories and docking across most models, you can manage your fleet of different business laptops with simplicity and efficiency.

# PORTÉGÉ X30W-M

# Freedom and Flexibility Powering Productivity

When success hinges on adaptability, the ultra-thin and lightweight Portégé X30W-M combines versatility with power. Seamlessly switching between laptop and tablet modes, it empowers smarter workflows, inspires creativity, and maximises productivity wherever you are.

Al Enhanced 2.0 FHD front-facing webcam for clear video quality
